October 05, 2020

**Bell Nunnally has been named a “Recommended” firm in Texas in the *Benchmark Litigation* 2021 guide. In addition, six partners have been named “Litigation Stars” and one partner has been named a “Future Star.” The publication, which highlights firms and litigators of an “elite” status, bills itself as the “definitive guide to the world’s leading litigation firms and lawyers.” *Benchmark Litigation* is the only publication on the market to focus exclusively on litigation in the U.S. and is part of a constellation of global ranking resources.**

“We’re honored to be featured collectively and individually in *Benchmark Litigation* – the top rankings publication amongst litigators and one frequently cited by clients as a major factor in their counsel decisions,” said Christopher B. Trowbridge, Bell Nunnally managing partner. “We are deeply appreciative of the votes of confidence our peers have cast for us – second only to the trust our clients have placed in us.”

Firm and individual selections for *Benchmark Litigation* are based on comprehensive interviews with clients, litigators and dispute resolution professionals. Casework and peer opinions are solicited and taken into consideration as well. Recommended firms are those consistently mentioned in interviews, “Litigation Stars” are those “recommended consistently as reputable and effective litigators by clients and peers” and “Future Stars” are those mentioned as “building their reputations in the market.”
