October 04, 2021

Bell Nunnally is once again named a “Recommended” firm in Texas in the *Benchmark Litigation* 2022 guide. In addition, nine partners were individually recognized by Benchmark with six partners named “Litigation Stars,” two “Labor and Employment Stars” and one named a “Future Star.” *Benchmark Litigation* is the only publication on the market to focus exclusively on litigation in the U.S. and is part of a constellation of global ranking resources. Its annual guide highlights firms and litigators of an “elite” status and is billed as the “definitive guide to the world’s leading litigation firms and lawyers.”

“*Benchmark Litigation* is one of the guidebooks that we consistently hear clients rely on as they build and augment their legal teams. To have a firm-record nine partners listed, along with the firm being recommended in Texas, is truly a high-honor,” said Christopher B. Trowbridge, Bell Nunnally managing partner. “Our clients are at the heart of all we do, and we deeply appreciate their feedback, along with our industry peers, in propelling these rankings.”

Firm and individual selections for *Benchmark Litigation* are based on comprehensive interviews with clients, litigators and dispute resolution professionals. Casework and peer opinions are solicited and taken into consideration as well. Recommended firms are those consistently mentioned in interviews, “Litigation Stars” and “Labor and Employment Stars” are those “recommended consistently as reputable and effective litigators by clients and peers” and “Future Stars” are those mentioned as “building their reputations in the market.”
