Monday, October 25, 2021

12:00 PM (CDT)

#### **Overview:**

This webinar seamlessly weaves trial tips and ethics into the story about an unlikely source of knowledge. Through the story of the rise and fall (and rise again) of a Billboard regular, Turman highlights important lessons litigators can learn and apply to their practices. The lessons include how to properly structure questions during a cross-examination, details attorneys should pay attention to in the courtroom and the different strategies litigators can use when communicating with a jury.
