

# HEATH CHEEK HONORED BY THE CYSTIC FIBROSIS FOUNDATION AS ONE OF “DALLAS’ FINEST”

February 07, 2017

**Partner [R. Heath Cheek](#) is being honored by the Cystic Fibrosis Foundation as one of “Dallas’ Finest,” a select group of leaders under 40 who are some of “[Dallas]’ most accomplished men and women, who show exemplary leadership, are active in their community and who excel in their profession or business.”**

Cheek was nominated by a community member who championed his contributions to fighting cystic fibrosis and his support of the Cystic Fibrosis Foundation – a national donor-supported, non-profit organization leading in the search for a cure to the disease. “Dallas’ Finest” selectees, as part of their commitment to the 33,000 plus members of the community affected by cystic fibrosis, have met or exceeded a personal fundraising goal of \$3,000 for the organization.

Cheek’s practice focuses on trials and disputes, representing clients from Fortune 500 companies to small businesses and high-net-worth individuals in industries including energy, financial services and real estate.

Cheek will be honored with other “Dallas’ Finest” members on March 3 at a banquet at Level Two in Dallas from 7 p.m. – 11 p.m.
