

MERGERS AND ACQUISITIONS

Our M&A lawyers offer sophisticated solutions to complex transactions. In the words of one client, “The culture of the firm is wired to achieve the absolute best solution for the client as quickly as possible.”

Working with large publicly traded companies, private equity firms and entrepreneurs, Bell Nunnally's mergers and acquisitions team has substantial skill and experience in structuring, negotiating and successfully closing acquisitions, divestitures, investments, mergers, joint ventures/strategic alliances and recapitalizations.

Representing both sellers and buyers in M&A transactions, we put together effective teams with a combination of practice experience to handle a range of technical issues that are often associated with complex transactions, including tax, employment, banking, ERISA, antitrust (e.g., Hart-Scott-Rodino), environmental, immigration, real estate, intellectual property and other subject matters.
